## October 7, 2019 Tim Marsh - Nature Artist

As a young boy my bliss was walking, talking and breathing nature. My artistic abilities naturally took hold of my favorite subject.

For the past forty years I have arranged the beautiful and intriguing elements that nature has to offer creating my own visions to be enjoyed by me as well as others.

My works of art explore telling stories of nature focusing on a particular moment in time. The story may be interpreted differently with each viewer. I enjoy illustrating the relationship between the elements within each painting and creating an opportunity of exploration and discovery in an unfamiliar environment.

I have been fortunate to have received eight People's Choice awards for which I am most appreciative of as well as many other placement awards. In 2010 I was chosen as the Featured Artist for the Ann Arbor Summer Art Fair for my first year as an exhibitor.

My works have been hung in International, National, State and Local exhibitions and are included in many private collections. View and purchase my art through my website, at art shows, by commission or gift shops and galleries on occasion.

Join us Monday, October 7th at 6:45 at Canton Township hall for Tim's presentation. It will be fun!
