“I have always had an interest in drawing/painting as far back as I can remember. My family gave me a starter oil painting set as a Christmas present that was the absolute best present ever. It has been an on and off hobby where the motivation lags and finally something will trigger the need to paint. Now that I’m retired, I have more time to devote to hobbies. I have tried pastels, colored pencil, acrylic, water color, oils, scratch art, and photography.”

Please join us for our next Zoom meeting on Monday evening for the PowerPoint presentation by new member, Patricia Baker.
