**PHOTOGRAPHY BY
DON SCHULTE**

Don Schulte has been actively photographing since 1979, gaining a Bachelor of Fine Arts degree from Detroit's famed College for Creative Studies, with subsequent photographic work in New York City and Detroit. His expertise in the lighting and composition of traditional studio still life shows in his work with products, food and jewelry. Don brings the precision and care of his studio work on location with architectural interiors, environmental still life and garden photography.

To see - carefully, completely, with sensitivity and passion - that is the photographic quest of Don Schulte Photography. Don will share some of his secrets of taking great pictures on Monday..
