February Program **Critique of Member Art** by Todd Marsee

Art by Todd Marsee

Members are encouraged to bring one or two pieces of art you would like to have reviewed by our guest artist, Todd Marsee.

Todd Marsee is an award-winning Michigan watercolorist whose artwork is refreshingly unique, with peaceful and reflective qualities. His paintings have shown at the Toledo Museum of Art Collector's Corner, and he has exhibited in galleries and fine art fairs throughout Michigan and Ohio. Todd has a MFA from Eastern Michigan University and BFA from Siena Heights University.

His paintings are interpretations of the fragile beauty and resilience of nature. Textures, patterns and designs of nature inspire him to paint, as well as the properties of watermedia itself (watercolor, inks, tempera and acrylic).

It is his hope that his work will inspire a respectful and protective mind-set towards our land and resources.

Critiques provide special insights into design, composition, use of color, and more.

Beautiful fused glass art created by the participants at our January event at D&M Art Studio. Beautiful dishes and night lights. Many thanks to Lori Barry for a great, fun event! Finished works can be picked up at D&M Art Studio.

Call for Artists Exhibition at *Gallery at City Hall*

For those artists who have art on display, mark your calendars to be there between noon and 5:00 to pick-up your art on January 31st.
