May Program

Kenneth Barbb, local “Modern Artist” Inspirational Concepts, Use of Color and Technique

As a youngster, Kenneth Barbb loved to draw and design cars. As many artists do, over the years he developed his own style, which makes his work very recognizable. In 1989, he discovered acrylic and since has worked exclusively in this medium on large, stretched canvas, usually 36” x 48” or 40” x 50”.

Solitude, Acrylic by Kenneth Barbb

His work is represented by The Rivers Edge Gallery in Wyandotte and his artwork can be viewed and purchased on the website is www..com.

Ken’s landscapes (or moonscapes if you will) are described as abstract reality. He is now working on a series of paintings that are non-representational abstracts. He enjoys the challenge of creating with color.

Barbb paints to please himself, but it is his intent to evoke pleasure, to send the viewer on a journey of the mind, beyond space and void of recognizable time. Each creation is unique, a one of a kind experience for himself and hopefully for the eye of the beholder.

Ken will share his thoughts, creative process so bring your questions and learn more about abstract art.
