**May  
MATTING & FRAMING**  
*By John Middlestead*

Member, John Middlestead, will be presenting “Tips and Tricks to Custom Matting & Framing” at our May meeting. John is a self-taught framer who decided early on that custom framing at a frame shop was too expensive if he wanted to keep his prices reasonable in selling his work. Buying frames and mats at a big box store is an alternative, however, there are some downsides. Come hear his story and approach.

**Board Positions to be Filled at May Meeting**

The club is grateful to members who have accepted board positions in the past. To be filled are four (4) Executive Board positions: President, Vice President, Treasurer, Secretary and eight (8) Committee Chair Board positions: Exhibition, Historian, Hospitality, Membership, Newsletter, Program, Publicity, Sunshine. Position descriptions are available upon request.

If you want your voice heard and want to help keep this club on a positive path, please consider volunteering. If you are hesitant, consider a shared position. Training will be provided as needed.

**Tiles made at April meeting will be  
available for pick-up at May meeting**
