**JUNE EVENT**

**Member, Doreen Lawton  
Scratch Art Workshop  
at D & M Art Studio**

June's Three Cities Art Club meeting is being held at D & M Art Studio (rather than our usual location at Canton Township Hall). Doreen will show us how, by using wax crayons (Crayola work best) on heavy paper or board, we will add color then cover it with India ink. By using a stylist, we will scratch away the ink as we draw a picture by revealing the color.

Stylists

Bring your own supplies if you have them or use what is available during the event (some may have to share). There will be some examples you can refer to or bring your own ideas.
