## CANTON TOWNSHIP HALL EXHIBITION

My apologies to those who have works currently on exhibit in Meeting Room A at Canton Township all as we did not discuss this rotating exhibit at the May meeting. If you want to pick-up your artwork, please stop by Canton Township Hall during normal business hours and ask to be let into the room and be sure to take down the card next to the artwork. You may also leave your pieces on display through the end of the summer. We need volunteers to exhibit during September, October and November. Those willing to exhibit, please contact me by August 15 with your list of entries.

## June Potluck Picnic

Bring your significant other, a dish to pass, a game to play and anything else you can think of to make it a fun evening. Allen Brooks will cook hotdogs and provide all the condiments. If you prefer another main dish, bring something to cook or something that is already prepared. There will be plenty of food so everyone is welcome. Bring your camera or paints if you want.
