4. The **solicitation for donation form** so if you know any businesses who would trade a monetary donation, discount card, a gift certificate or merchandise for an ad in the program you can provide them with the form.

It will be most helpful to have pictures of the art entries to allow us to layout the show in advance. Marilyn will be at the September & October club meetings and can take pictures of your art if you bring your entries to the meeting.

PLEIN AIR PAINTING EVENT FOR EVERYONE

The history of Northville, Michigan, is alive at the Mill Race Historical Village. Created in 1972 by the Northville Historical Society, the village serves as a focal point for the Northville Community while preserving architectural styles common to the area prior to 1900.

The village was built on 12.5 acres of land donated to the City of Northville by the Ford Motor Company. Once the site of a grist mill, the village consists of an inn, blacksmith shop, school, church, gazebo, rustic wooden bridge, Interurban station and several homes reminiscent of an era gone by.

Village buildings are open every Sunday with docents on hand to share the history of each building.

Three Cities Art Club *Plein Air painting by Lamb* is happy to invite you to participate in this FREE Plein Air Painting event! Those interested should plan to be at Northville's Mill Race Historic Village about 1:00 Sunday (membership not required and there is no charge to get into the park). Bring all your own art supplies, something to sit on and anything else you need to make yourself comfortable, pick a spot to create a work of art. There are plenty of interesting sites in this unique park which is at 215 Griswold just north of Main Street (near of the old Ford plant with waterwheel). The park closes at 4:00. No rain date is planned.
