**SNACKS FOR  
January  
Susann  
Smith**

## January Program Daniel Sprick American Realist Painter

My brother, Carl Schuman, recommended a PBS special which I thought was excellent and wanted to share it with all of you.

Daniel Sprick's portraits, still lifes and landscapes are riveting. You will learn about the artist and his astonishing drive to create non-stop.

Join us for this video and, if time permits, we will see a couple of "how to" videos.

### REMINDER
