### OCTOBER PRESENTATION

**Robert Maniscalco**

**Positive Painting Demonstration**

Robert will paint an oil portrait from a live model. The audience will be able to engage with the artist as he works. In this informative and entertaining presentation, the artist reveals more than his considerable technical skill. It is also a personal, humorous and ultimately inspiring look into the creative process itself, from hopeful beginning to the virtuoso finish. Enjoy the harmonious union of both sides of the brain as Robert leads us in a lively, interactive, creative experience.

*Art by Robert Maniscalco*

The presentation requires 1-1/2 hours (so we will keep our business portion of the meeting short).

This program is often presented in conjunction with Power of Positive Painting 2-Day Workshop which will take place on Friday, October 7 & Saturday, October 8, 2022 10am—4:30 pm at Village Arts Factory. If you have not yet signed up, there is still space available, register online at <https://maniscalcogallery.com/product/power-positive-portrait-painting-workshop-2-days/>

Share news of honors, awards, upcoming shows and events, write an article or share a helpful tip or trick which would be of interest to our readers. **Juror/Judge: Janet Kondziela** knew she wanted to be an artist from the time she was eight and graduated with a BFS in Painting from Detroit Art School of the Society of Arts & Crafts (now College for Creative Studies). Although adept in other mediums -- such as pencil, conté crayon, acrylics and watercolor, and with other subject matter like still life and animals – Janet’s passion remains portraiture and painting “plein air” on location. She has received numerous awards in group shows, has had solo exhibits, and currently teaches in the Dearborn area and from her studio. Janet stays active in the art community as a member of the Dearborn Artist Society (ASD) as well as other area art groups such as the Downriver Center for the Arts (DCA) and Detroit Society of Women Painters and Sculptors (DSWPS). Janet’s work can be found in many private collections in the United States and Canada. Her work can be viewed
