## March Program - Wendy Harless Watercolor Demonstration/Workshop

Wendy began to draw as soon as she could hold a pencil. She earned her Bachelor of Fine Arts from the Massachusetts College of Art and Design with a major in Illustration. After college she worked as a Graphic Designer and Creative Director until 2020 when she was hired as the Executive Director of the Partnership for the Arts and Humanities, a 501(c)3 nonprofit that owns and operates the Village Arts Factory in Canton's Cherry Hill Village. She is also Chairperson of Plymouth Township's Historic District Commission.

Today she enjoys creating in different mediums including Adobe Creative Cloud programs, drawing, acrylic paint, watercolor, flower arranging & gardening and also stained glass. She lives in a 96 year old house in Plymouth Township with her husband and their son.

Wendy will show us some of her works of art and demonstrate various watercolor techniques. **If you would like to paint along with Wendy, please bring all your necessary supplies.**
