TUESDAY, SEPTEMBER 6th PRESENTATION

Glassblowing Demonstration

Philip Yamron is owner and operator of **Acorn Glassworks** located in room #120

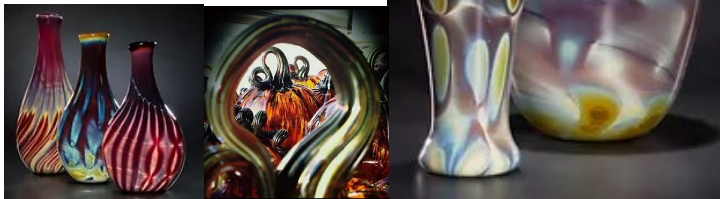

of the Art Wing at PARC. It is a public access glassblowing studio where they offer glassblowing classes and courses, workshops, demonstrations, private events and seasonal open houses. Their goal is to share the ancient timeless art of glassmaking with the Plymouth community and surrounding areas.

Acorn Glassworks of Plymouth is excited to share the world of glassblowing with those attending our Tuesday, September 6th program. Philip will explore and explain the process of hand blown glass through discussions and a live demonstration.

Space is limited to approximately 20 so please reserve your seat by emailing Marilyn prior to Friday, September 2, 2022.

Meet in the room next door to Philip's studio, Suite 118, for our business portion of the meeting, vote for art in the Popular Vote competition and have snacks. Then we will walk next door for the program.

Many of their works of art will be on display and available for purchase.
