CLUB NEWS

September Program

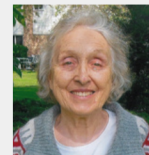

Guest Panel with Opportunities for Artists

To kick off the fall season, Three Cities Art Club is proud to welcome a group of representatives from local venues who will provide information about their art programs, classes and studio spaces. Organizations such as the Village Arts Factory, Northville Art House and the Plymouth Community Arts Council have been invited to participate. They will share information with our members concerning art supply venues and exhibiting opportunities and explain how their organizations meet the needs of artists in the community. Each representative will give a ten to fifteen minute presentation and provide handouts.

Don't miss this great chance to learn more about local art organizations and how you might benefit from them!

September Member Spotlight

The September Member Spotlight will feature **Nancy Bahr**, who will share her artistic journey. Nancy will discuss her perspective on art, and several of her paintings will be displayed. Don't miss this opportunity to hear from a fellow member and hear her story!

VFW Annual Dueling Pianos & Artwork Display

Local artists and Service members joined together in an effort to raise money to benefit veterans on July 21st at the VFW #9885 in Westland. A great time was had listening to upbeat entertainment by the Dueling Pianos. Three Cities Art Club members as well as several veterans displayed their artwork under a canopy for all to enjoy - and purchase. A \$100 Commander's Award was presented to Allen Brooks for his photo titled *Gardener Wanted*. Sharon Dillenbeck later purchased the artwork to take home to surprise her husband - the Commander and contest judge. Congratulations to Allen!
