**Tuesday, September 5**

[Day after Labor Day]

Plymouth District Library

**6:45 PM**

## **CLUB NEWS**

### **May Member Spotlight**

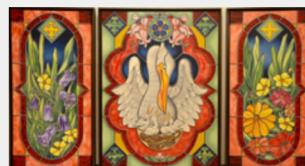

At the May meeting, Susan Aitken talked to the club about her art journey, which included illustrating children's books, teaching art and painting.

She began painting in oil by creating a modern interpretation of stained glass on canvas. This is the body of work currently exhibited in solo shows and on her website. Susan's presentation ended with her interest in painting portraits. She is looking forward to seeing where it will go.
