## May Member Spotlight Recap

We were pleased to have **Peggy Kerwan** as our May member spotlight. Peggy works mostly from her imagination, letting all things inspire her. Her artwork is primarily acrylic and mixed media on canvas. Explaining her process, Peggy's

three displayed pieces included an original charcoal sketch and two monotypes inspired by the charcoal sketch.

She has exhibited in both juried group shows and solo exhibits, parties and fund-raising events. Colorful, energetic, whimsical in style, Peggy has painted murals, made masks, glass & wood mosaics and even some furniture decorating and mural making.

### **Detroit Institute of Arts Presentation**

At our May meeting, we were pleased to have Kathleen McBroom, a representative from the Detroit Institute of Arts, speak to us about the hidden meanings behind images of flowers, plants and garden which are featured in some of the DIA's most favorite works of art. It was a truly interesting to learn about this aspect of the art experience and to see some of the beautiful artwork within the DIA collection. we apologize that there was not enough time for questions at the end of Kathleen's presentation. If you have questions, please email them to her at [kathleenmcbroom23@gmail.com](mailto:kathleenmcbroom23@gmail.com).
